RESEARCH

'Life' before and after enforcement of Cyber Security Laws and Policies - Advisor. Dr. Seuti Sabur

Fall 2021

- Investigated the effects of cyber security laws and policies on individuals in Dhaka, Bangladesh, using Michael Foucault's Power Knowledge and Gramsci's Hegemony as theoretical frameworks.
- Prepared and administered 10 questionnaires, and conducted in-person interviews with 6 interlocutors of varying ages, occupations, and genders.
- Analyzed qualitative data to compare and contrast people's perspectives on cyber security laws and policies.

How uncomfortable a prison for women inmates in Bangladesh - Advisor. Dr. Saira Rahman Khan

Summer 2021

- Investigated the prevalence of overcrowding, inadequate healthcare, and lack of amenities in prisons.
- Wrote a comprehensive report on the findings, providing recommendations to improve the living conditions of female inmates.

Why might not elite women be disinterested in participating in the movement? - Advisor. Shehzad M Arifeen

Summer 2021

- Domain: Feminists movements in Bangladesh (2018-2021).
- Conducted 10 interviews both in person (Dhaka) and online media. Interlocutors were female activists, event hosts, and students.
- Produced a report taking into account legal reform, cultural dominance, and political privilege from a qualitative viewpoint.

Gender representation in the deodorant advertisement - Advisor. Shahzad M Arifeen

Summer 2021

- Investigated the language, visuals, and other techniques used to convey gender messages in the ads.
- Analysed 15 television advertisements (2000-2020) about toiletries e.g. deodorant.

- Investigated the use of gender stereotypes, gender roles and power dynamics in the advertisements.

The Triple A (Availability, Accessibility, and Adaptability) - Independent research

Spring 2021

- Problem: Limited access to sexual and reproductive health services for adolescents and youth in slums.
- Interviewed 16 people in two days at 'Korail Slum', divided into 4 groups based on age and marital status.
- Proposed solution: Training and involving youth to create awareness about reproductive health in slums.
- Report submitted at Urban Health Innovation Challenge 2021 (BRAC JPGSPH and World Vision).

Challenges of application of Cyber Security Laws and policies regarding Human Rights Laws - Advisor. Advocate

Mostafa Hossain

Fall 2020

- Based on Digital Security Act, 2018 Chapter six (section 17 to section 38) and the Constitution of Bangladesh.
- Thoroughly reviewed international human rights conventions and treaties, national and international cases, Penal Code 1860, Information Communication Technology Act, 2006, and other related laws.
- Analyzed shortcomings of Digital Security Act, showing repressive & vague nature impeding dissent.

A Comparative Analysis On the Engagement of urban Middle-Class People in Social Movements: Political Hegemony - Advisor. Shahzad M Arifeen

Summer 2020

- Analysed urban-centric political movements during Ershad Regime (1986-1990) and Awami League Regime (2008-2020).
- Presented hypothesis based on Gramsci's Hegemony and Althusser's concept of Ideology.
