RESEARCH

‘Life’ before and after enforcement of Cyber Security Laws and Policies - Advisor. Dr. Seuti Sabur Fall 2021

- Ethnographic research based on Michael Foucault’s Power Knowledge and Gramsci’s Hegemony.
- Prepared 10 questionnaires and interviewed six interlocutors (different ages, occupations, and genders) from Dhaka in person.
- Methodological tools: primary research - participant interviews, secondary research - mapping the field.
- Qualitative analysis: analyzed similar sounding people’s perspectives on cyber security laws.

Why might not elite women be disinterested in participating in the movement? - Advisor. Shehzad M Arifeen
Summer 2021

- Domain: Feminists movements in Bangladesh (2018-2021)
- Conducted 10 interviews both in person (Dhaka) and online media. Interlocutors were female activists, event hosts, and students.
- Methodological tools: Secondary resources - literature review, primary resources - interviews
- Qualitative analysis and produced a report based on the perspective of legal reformation, cultural hegemony, and political privilege.

Gender representation in the deodorant advertisement - Advisor. Shahzad M Arifeen Summer 2021

- Wrote an article based on gender in advertising.
- Analysed 15 television advertisements (2000-2020) about toiletries e.g. deodorant.

The Triple A (Availability, Accessibility, and Adaptability) - Independent research Spring 2021

- Problem: Limited access to sexual and reproductive health services for adolescents and youth in slums.
- Interviewed 16 people in two days at Korail Slum.
- Interlocutors are divided into 4 groups based on age and marital status (male and female).
- Proposed solution: Training and involving young individuals to spread knowledge about reproductive health in slums.
- Submitted at Urban Health Innovation Challenge 2021 (BRAC James P Grant School of Public Health and World Vision).

Challenges of application of Cyber Security Laws and policies regarding Human Rights Laws - Advisor. Advocate Mostafa Hossain Fall 2020

- Based on Digital Security Act, 2018 Chapter six (section 17 to section 38) and the Constitution of the People’s Republic of Bangladesh.

- Thoroughly reviewed international human rights conventions and treaties, national and international cases, Penal Code 1860, Information Communication Technology Act, 2006, and other related laws.

A Comparative Analysis On the Engagement of urban Middle-Class People in Social Movements: Political Hegemony - Advisor: *Shahzad M Arifeen*

Summer 2020

- Analysed urban-centric political movements during Ershad Regime (1986-1990) and Awami League Regime (2008-2020)
- Presented hypothesis based on Gramsci's Hegemony and Althusser's concept of Ideology.
